# Property Description

**Location:** Villas Veleta, Benijofar, Costa Blanca, Spain

**Villas Veleta is a unique project of 8 incredible villas next to the main streets of the town of Benijofar in the heart of the Costa Blanca.**

Benijófar is just 10 minutes drive from the long, white sandy beaches of Guardamar and a 20 minute drive to Alicante airport with regular flights all over Europe.

Villas Veleta is located just outside the main street of the town so all amenities are a short walk away; bars, restaurants, banks, pharmacy, medical centre, townhall, school, etc... making it one of the perfect places to find a new home on Spain's Costa Blanca

The exclusive Villa Veleta is in a class of its own. Its 300 m<sup>2</sup> plot with swimming pool and private carport makes for the perfect home on the Costa Blanca. Villas Veleta are 3 bedroom 2 bathroom villas with a huge roof top solarium, storage room and completed landscaped garden.

As you walk into these stunning properties you will appreciate the height of the living room and the size of the patio doors, a huge 2.70 m tall, allowing light and brightness into the home and giving it that truly Mediterranean feel about it.

The luxurious master bedroom not only has a huge walk-in wardrobe but also a unique ensuite bathroom with underfloor heating.

The other two bedrooms are not to be discarded as they are also a great size and considered double bedrooms as well. The kitchen, original in design but both functional and elegant has a large work surface and a utility room adjacent for the washing machine and energy saving "aerothermia" hot water boiler.

On the massive solarium of this property you can enjoy the fabulous views towards the Sierra de Callosa mountains and the surrounding orange groves of the Vega Baja.

If you are looking for a beautiful property, walking distance to all amenities, all on one floor with your own private pool, Villa Veleta is the place for you in Benijófar .
