Property Description

Location: Guadalmina, Costa del Sol, Spain

Located next to Guadalmina Golf, the spacious Treetops homes have been designed by the renowned Gonzalez & Jacobson architecture studio, the design contemplates homes with 3, 4 or 5 bedrooms and fabulous views of both mountains, the golf course and the sea. In addition, the spacious terraces and its spectacular solarium invites you to a pleasant candlelit dinner or to enjoy the beautiful Mediterranean sun, always present in Marbella, from its spectacular private gardens.

All the properties have three or four bedrooms that offer wonderful views, they also include a private swimming pool, a spacious terrace and a sun terrace as well as wide private gardens to enjoy the brightness of the region.

TreeTops is modern, quality, technology and sustainability, all represented by the use of top quality materials by recognised brands in the industry. Gourmet type kitchens, designer bathrooms and high energy efficiency are the details that make all the difference. Enjoy its wonderful terraces, its views, its shared areas and its wellkept gardens. TreeTops has been planned to the highest quality standards, using certificated materials and guaranteeing the energy efficiency of every constituent part, having maximum respect and consideration for the environment. The project includes a concierge and integral security service so residents can live and enjoy family and friends in a comfortable, quiet and safe environment.
