OAKHILL HEIGHTS STYLISH HOMES

Sitting proudly amidst the surrounding countryside is Oakhill Heights. An exquisite and secure private enclave of only fourteen 3 & 4 bedroom contemporary homes, comprising semi-detached houses and townhouses with huge (307-340m²) living spaces and large terraces and gardens. Completed to the highest standard, these sprawling multi-level luxury properties enjoy spectacular uninterrupted mountain and sea views from all rooms, designed to help you fully embrace a lifestyle of absolute tranquility.

At Oakhill Heights all required licenses are already in place and development is underway ensuring that delays often associated with off-plan properties are avoided and that you are able to start enjoying your home in the shortest time possible. You are able to take the keys to your new home within just 4 months, and this includes any custom options you may elect.

Available options include the ability to have a plunge pool or a Jacuzzi on the roof terrace, choose kitchen appliances, select either a Zen style or landscaped garden, and even adjust the floor plan to include a 4th bedroom. Siesta also has an interior design department that can, if required, help ensure your property is finished to the highest standards with tasteful, contemporary design elements that match your personal taste.
